GLOBAL MANUFACTURER AND DISTRIBUTOR OF GOLD AND .925 SILVER BEADS, CHAINS, FINDINGS AND GOLD & SILVER LEAVES

The Right Price for the Right Quality for the Right Delivery Time

GLOBAL-FINDINGS.COM® GROUP LTD.

GLOBAL-FINDINGS.COM® GROUP LTD., as the name implies, is a group of manufacturers of high-quality precious metal findings, beads and chains supported by a metal bank in order to assure the daily cheapest market price of the metal and its clean origins.
With a "Just-in-Time" delivery policy and with our distribution offices carrying a large amount of inventory we aim to cover most of the needs of the jewelry manufacturers in South East Asia, especially the brand names that nowadays consist the core of our clientele.
Our founder, Mr. Simone Callai, brings over 40 years of experience as a jewelry stylist, manufacturing consultant and distributor to the GLOBAL-FINDINGS.COM® GROUP LTD.
The GLOBAL-FINDINGS.COM® GROUP LTD. concept has come from our client's need to find a single supplier that offers a very wide range of products at an affordable price with very short lead times.

GLOBAL-FINDINGS.COM®

Our cloud based system GLOBAL-FINDINGS.COM® is the core and the engine of the group; it was created to have an internal online friendly ERP accessible worldwide 24/7 by our all our employee.
We are now building a B2B interface to facilitate the distribution and sales of our products over the internet linked together by our online order processing system.
GLOBAL-FINDINGS.COM® is the number "2" in the B2B and, through our website, we will be uniquely positioned to supply jewelry manufacturers worldwide in a timely and friendly fashion.

Our Distribution Centers

Presently the offices is already distributing our products in their local areas and worldwide. Our office has a commitment to 24-hour delivery, thus eliminating the need for manufacturers to keep expensive inventories.

UPON ORDERING CHAINS

Semi-finished chains:	1) Our semi finished chains are sold 'white polished' or as they come out from our machines however, during the shipment, the moist contained in the box may slightly turn the surface a bit yellow in patches 2) Our standard packing is in bundle, for chains in a spool handling charges apply, please read here below "Spooling service"
Spooling service	Our chains are delivered, by standard, without spool with two rings one each extremity of the bundle therefore the labor price of chains is for non-spooled chains (or loose chain), for spooling service please add 7Euro/Kg(or any fractions of it)
Finished chains:	1) Finishing: All our finished chains are silver plated nickel free 2) Weight: The unit weight is in meters, please ask help to our Customer Service if you want to know the average weight in inches 3) Length: The length can be indicated by changing the placeholders '##' (e.g.. "IV-015F ##cm" in 18" will be: "IV-015F 46cm") 4) Purity: All our chains have the 925 stamp by standard as expressed within brackets in the code (e.g.:"IV-015F ##cm (925)") if you wish no title stamp please inform in written and get it confirmed by our sales staff by changing the code (e.g.:"IV-015F ##cm") 5) Stamps: Any additional stamp can be added such as "ITALY" or your "LOGO", please inform in written and get it confirmed by our sales staff by changing the code (e.g.:"IV-015F ##cm (925) (ITALY)" or "IV-015F ##cm (925) (LOGO)" or "IV-015F ##cm (925) (ITALY) (LOGO)") 6) Location: All our stamps are placed on the chain cap 7) Tolerance: The length tolerance on small chains is 0.5cm/pc, for big chains the length tolerance may vary as the link cannot be cut in half
Chains with beads:	The distance of the beads in our PL has been set a s a standard of 1cm from each other however the sequence and the distance can be changed upon request

PLATING SERVICES

We provide the following plating services:	Rhodium: RH Silver: (AG) Gold flash: (AU) Gold micron: (AU # micron) Gold plating can be done either as 'flash' plating or a thicker 'micron' plating, it depends on the quality, 'micron' plating gives a thicker, long lasting, gold coating but is much more expensive than a simple 'flash' as it is thicker
Code:	Please add the required plating within brackets in the code (e.g.: "ILCNL/WL-02 (6x10) (AU 1 micron))"
Goods plated	Most products can be plated, just ask time to time
Prices	Plating prices change all the time according to the fluctuation of the precious metals, please ask for the latest price each order.
